Steve Stone:

I can understand the importance of whale hunting to the Makah people. It was a high honor to be selected for the whale hunts, by the Makah; and part of their tradition.

IF they want to continue the tradition, then the hunt should be by traditional methods; row boats and spears - NOT using today's technology.

Sincerely,

Mike Conlan
Redmond WA

The other season of giving begins 6/24/08. Check out the i'm Talkathon. Check it out!
