Subject: Whale KILLING!
Date: Friday, August 15, 2008 11:18:52 PM

Why not have symbolic rituals and let the noble creatures live out their lives! My ancestors had traditions that I would no longer do but I can respect them in other ways. You have lost much respect, locally and across the continent with your stupid, senseless killing and torturing of the whales.

Stop it!!!!!

Mr. and Mrs. B. J. Pierce
Port Townsend, WA
