

The Northwest Region Marine Mammal Stranding Network investigates marine mammal stranding events in Oregon and Washington. The summary information provided on this website was compiled from a national database administered by the NOAA Marine Mammal Health and Stranding Response Program. The database contains Level A reports submitted by Stranding Network participants that are reviewed and verified by NOAA Fisheries Regional Coordinators prior to inclusion. If you have specific questions about this data or would like more information about marine mammal strandings in the Northwest Region please contact Kristin.Wilkinson@noaa.gov.
